

Digital Montage

DESIGN SERVICES

Testimonials

"It is always a pleasure dealing with Digital Montage who never lets us down. They always meets tight deadlines; their work always meets our brief and is consistent with our brand guidelines. **I highly recommend Digital Montage for all types of graphic design work.** From initial artwork concepts, through to completion, their professionalism sets them apart from many people in that field."

Debbie Marsden, Club Marketing Manager

"Digital Montage proved both very creative and efficient under very tight deadlines. Digital Montage always exceeded my expectations. **Highly recommended.**"

Walid El-Khoury, Business Advisor- www.univero.com.au

"Having shopped around I found Digital Montage to be very affordable. In no time they had my website up and running in just the way I had requested it to look like. My business has grown significantly as a result of my new **website which is well ranked,** easily maintained and reaches my target audience. I have recommended this service to a number of my friends and colleagues."

David Kalmar, Psychology Pathways

"My companies have been using Digital Montage for over 2 years now. The **service, turn around time and creativity is what keeps me coming back.**"

Roger Mullan, Traders United Group Pty Ltd

"We contacted multiple graphic designers however Digital Montage gave the most helpful and creative advice and were very quick to give us options for production. They were patient whilst we made our decision on multiple styles and colours that were presented to us. The **finished result exceeded our expectations** and we are very confident to present to existing and potential clients, we definitely recommend Digital Montage for the design for your marketing material."

Tim C - Perfect Plumbing Solutions

"Digital Montage Graphic Design is a great company to deal with. First class friendly service at a competitive rate. Would definitely recommend to anyone in the market for Graphic Design/Website Design due to quick turn around and **first place google ranking.** To view some of Digital Montage work, please visit www.abdominators.com.au"

Mark Bennett - Abdominators

"We have used Digital Montage many times to create fresh new ideas for our promotional needs. Smiink products are highly visual and require a creative flair to promote them effectively. Digital Montage has met this initiative, creating icons and artwork that we now use continually. They have always turned the artwork around **quickly and even met last minute deadlines for exhibitions. We have found DM affordable and reliable.**"

Wendy Tomaino - smiink - Lash Artistry

"I would at any time recommend Digital Montage for such a fantastic restoration on a family picture taken in 1939. **Quick turn around time and accuracy** for detail was very much appreciated."

Gordon D

"I employed the services of Digital Montage to restore a photo that was about 60 years old. I found the services of Digital Montage to be conducted in the highest professional manner. The **photo that was restored was of excellent quality** and I would not have any hesitation to say that I would use Digital Montage again in the future. I would be happy to discuss and share my experience with any prospective customers."

Arn & Beryl Kabral

"Digital Montage is a fantastic and reliable company to deal with. I'm extremely satisfied and impressed with the quality of work completed. I'm more than happy to recommend this company and I will definitely use Digital Montage again in the near future. Digital Montage has also given us **1st place google ranking** when 'mobile mechanic ryde' is googled."

Matt Topal - Royal Mobile Mechanics

"Digital Montage were great to deal with, they had my website up and running in no time. **Digital Montage are affordable & very creative** with their web designs. I would recommend digital Montage if you are looking for a unique and user friendly website."

Joe N - Uni Maintenance
